Reviewer for Economics Bulletin, Canadian journal of Economics, Economic Inquiry, Economie Rurale, Journal of Behavioral and Experimental Economics, Journal of Economic Behavior and Organization, Journal of Economics, Journal of Economic Psychology, Journal of the Economic Sciences Association, Management Science, Managerial and Decision Economics, Revue d'Economie Politique, Revue Economique, Revue Française d'Economie, Revue d'Economie Politique, Social Choice and Welfare

TEACHING & SUPERVISION

University Rennes I - Department of Economics

- 2023-present** Microeconomics - Game theory (undergraduate students)
- 2022-present** Microeconomics - imperfect competition and game theory (undergraduate students)
- 2018-present** Econometrics. Discrete Choice Models (Master students)
- 2012-present** Game theory (undergraduate students, International section, taught in english)
- 2022-2023** Microeconometrics (graduate students)
- 2022-2023** Methods to evaluate the willingness to pay (graduate students)
- 2018-2020** Methods to evaluate the willingness to pay (undergraduate students, "Magistère")
- 2017-2022** Experimental economics (Master students)
- 2016-2021** Microeconomics - imperfect competition (undergraduate students)
- 2013-2014** Economics of Organization (undergraduate students)
- 2012-2022** Game theory (Master students)
- 2011-2023** Microeconomics of risk and information (undergraduate students)
- 2009-2020** Game classes (undergraduate students)
- 2011-2012** Industrial organization (undergraduate students, International section, taught in english)
- 2009-2012** Computing (undergraduate students)
- 2009-2012** Econometrics (Master students)
- 2009-2012** Data analysis (Master students)
- 2008-2009** Introduction to economic analysis (undergraduate students)
- 2008-2009** Statistics (undergraduate students)

University Montpellier I - Department of Economics

- 2006-2007** Econometrics (undergraduate students)
- 2003-2007** Macroeconomics dynamics (undergraduate students)
- 2003-2004** Macroeconomics dynamics (Master students)

Supervision

- 2022** : Alissa Pechillon. Magistère en Economie. Paris School of Economics. 3 months
- 2021** : Mathis Fundaro. Master 1 Toulouse School of Economics. 5 months
- 2020**: Camille Luis, Toulouse School of Economics. 3 months.
- 2019**: Miguel Fernández. Master EcoDEVA, Montpellier SupAgro & Universidad Politecnica De Madrid. 6 months.
- 2019**: Fatima Zohra Habbal. Master EcoDEVA, Montpellier SupAgro. 6 months.
- 2019**: Karine Abdallah. Licence MIASHS, Rennes. 2 months.
- 2018**: Quentin Le Dissez. Master 1 Statistics and Econometrics.

2015: Rozenn Gazan. Master 2 at Agro-campus Ouest. 2 months.

2012: Kévin Bernard. Master 2 “Statistics and Econometrics”. 6 months.

2013-2016: Advisor of several group works for students in Master 1 “Statistics and Econometrics”

2017-2018: Advisor of several group works in Bachelor in Economics and Statistics in 2017-2018

RESPONSABILITIES & RECRUITMENT

Recruiting committees

Member of the recruiting committees for the University of Antilles (x2)

Member of the recruiting committees for the University Rennes 1 (x3)

Responsibilities

2022–présent Supervisor Master 1: “Economie de l’environnement, de l’énergie et des transports, Parcours Economie et Management de la Mobilité Durable”, University Rennes

2022–présent Responsible for the axis “Comportements, Incertitudes et Responsabilités”, CREM

2022-présent Member of the Scientific council of the department of economics, University Rennes

2022-présent Member of the CREM council

2017-present Elected member of the Faculty council of the department of economics, University Rennes 1

2011-present Member of the Pedagogical council of the department of economics, University Rennes 1

2011-2016 Responsible of the “Parcours Affaires et Entreprises” for undergraduate students at the University Rennes 1

Others
